This TA Application is a request to my servicing Education Center for a TA Authorization Voucher providing federal funds for my education.

1. I understand acceptance of TA obligates me to the following:

#### APPLICATION OBLIGATION:

1. To submit this TA Application request to my servicing Education Center PRIOR to the start of the term. My TA Application will not be authorized by Marine Corps after the term start date. Once my TA Application is approved, I will receive a TA Authorization Voucher to take to the school for partial or full payment.
2. To personally deliver, fax or mail my TA Authorization Voucher to the school during registration. If I register for courses PRIOR to receiving a TA Authorization Voucher, I am liable for the full amount of tuition and course fees.
3. To pay the remainder of tuition and course fees not covered on the TA Authorization Voucher to the school.
4. To notify the Education Center if any changes to the information on this document occur such as term dates or a different course other than the one on this form. I can change a course title on the TA Authorization Voucher only if there is no cost increase. The new course must be reported to the Education Center.
5. To notify the Education Center if I do not enroll in any or all course(s) on my TA application or if I cancel before the school's "drop/add" date. If I cancel my course, I will provide my Education Center with the school's verification of the course cancellation.
6. To reimburse tuition and fees paid on my behalf with a money order or cashier's check payable to U.S. Treasury and mail to NETPDC if I:
  1. Voluntarily withdraw from a course after the "drop/add" date or full tuition refund date and receive a (W) grade.
  2. Fail to convert an Incomplete (I) grade to a passing grade within 8 months of course completion date.
  3. Beginning 1 October 2014, receive grades below a C for undergraduate courses, or grades below a B for graduate courses.
7. If I receive a (W) grade due to an involuntary course withdrawal, to provide the Marine Education Office a letter from my commanding officer confirming withdrawal and resulting (W) grade was due to hospitalization, PCS, TAD, documented emergency leave or change in military duties or assignment. Reimbursement may be waived if I officially withdraw based on one of these circumstances and if I submit command verification to ESO at the Education Center that processed the voucher.

#### COURSE COMPLETION OBLIGATION:

8. To provide grades/certificates of completion to NETPDC\*. While I authorize the school I attend to forward a grade report or Certificate of Completion to NETPDC\*, if my school fails to do so, I will be notified by NETPDC. It is my responsibility to ensure my grades are forwarded to NETPDC\*.
9. To provide degree completion verification to NETPDC\*. While I authorize the school I attend to forward degree completion verification to NETPDC\*, if my school fails to do so, I will be notified by NETPDC\*. It is my responsibility to ensure my degree completion information is forwarded to NETPDC\*.
2. I understand failure to provide a grade report to NETPDC within 60 days of course completion or my failure to respond as outlined in paragraphs 4 through 7 will lead to formal resolution/collection efforts such as a letter of indebtedness to my commanding officer and possible pay overage.
3. I understand if I am eligible for the Montgomery GI Bill (MGIB) or the Post 9/11 GI Bill educational benefits, I may supplement tuition assistance through the Top-Up program. I understand that I may not receive full educational benefits for the same courses as listed on this TA application as that would constitute a duplication of benefits. If I submit a Top-Up claim to the VA and then cancel the course(s) listed on this document, I will notify the VA that the course(s) are not funded with tuition assistance.
4. I am aware of the \$4500 fiscal year limitation in effect for Marine Corps tuition assistance. I certify that my request for TA does not exceed this limit. If an administrative error results in the over-authorization of tuition assistance, I will be expected to reimburse the Marine Corps for the amount of the over payment. If a non-reimbursable fee is included in my TA and I cancel the course, I am responsible for reimbursing the Marine Corps if they pay this fee, or the academic institution, even if I do not incur tuition costs.
5. I acknowledge that I am aware that I can submit a complaint if I believe my school is inadequately following the Principles of Excellence, (i.e. unfair recruiting practices, credit transfer or change in degree requirements) through the centralized online reporting system at [www.militaryonesource.mil/voluntary-education/complaint](http://www.militaryonesource.mil/voluntary-education/complaint). When feedback is received, a DoD/military service education representative will advocate on behalf of the student and work toward a resolution.
