

Blue Star Families

Founded in 2009 by military families, Blue Star Families is the nation's largest military and veteran support organization. We're changing how America supports the families of our All-Volunteer Force and envision a world where military families serve and thrive in strong communities.

Chapters across the country, with more coming!

Blue Star Families helps you feel connected and supported wherever military life takes you — building welcoming communities where military families thrive and belong.

★ Blue Star Welcome

Fosters connections, engagement, and access to essential resources, ensuring that every military family has a meaningful and enriching experience with Blue Star Families from day one.

★ Blue Star Careers

Provides unique career support experiences ensuring every participant gains valuable connections, resources, and confidence on their career journey.

★ Blue Star Caregivers

Creates a trusted space where caregivers **prioritize self-care, connect, and access essential resources**, all while enjoying meaningful respite experiences.

Blue Star Outdoors

Improving sense of belonging through deeper community connections, providing opportunities for overall wellness, and creating stewards of natural resources.

Blue Star Families of Nourish the Service

Presented by Chobani

Addressing and advocating for food insecurity concerns amongst military and veteran communities with on-the-ground solutions.

★ Blue Star Books

Connecting youth and families to community through literacy and fostering connection, strength, and empathy through the power of reading.

Coffee Connect

Blue Star Families

Creating spaces of inclusion and support in local communities where families can access resources and forge relationships. Made possible through a national partnership with Starbucks.

NATIONAL ENDORSEMENT FOR THE ARTS and BLUE STAR FAMILIES present BLUE STAR MUSEUMS

Offering free entry to 2,000+ museums nationwide annually to active-duty military personnel, including the National Guard and Reserves, and their families.

★ Blue Star Support Circles

Forging upstream solutions through peer-based circles that empower supporters with tools and community to recognize and respond before a mental health crisis occurs.
