BEFORE YOU ARRIVE

Base Access: MCRD San Diego is located just northwest of downtown San Diego and north of the San Diego International Airport, Lindbergh Field. Gate 5 (Washington St.) is the main gate.

Rideshares: Rideshares (taxis, Uber, Lyft, etc.) are allowed access to the installation following a cursory vehicle search. If the rideshare driver chooses not to undergo the cursory vehicle search, the passenger must be dropped off at the designated pick-up/drop off location at each gate. A cursory vehicle search is an external visual inspection of the vehicle by law enforcement.

Gate 5 Coordinates: 32.739091, -117.185831 (Navigation apps will direct you to the wrong gate) or search "MCRD Gate 5" or "MCRD Visitor Center."

Directions:
sandiego.usmc-mccs.org/recruit-families/base-map

Entering and Leaving the Depot: All visitor vehicles MUST enter through Gate 5 (Washington St.). Vehicles and personnel will be searched upon entry. Expect delays and plan accordingly. Gate 5 opens at 4:00 PM for Meet & Greet and 6:30 AM for graduation visitors on Family Day and Graduation. Gate 4 (Old Town Ave.) and Gate 5 will be open for all visitors when departing MCRD San Diego.

Driver's License/Registration/Insurance:
If you are driving a vehicle, ensure you have a valid driver's license, vehicle registration, and proof of insurance in your possession.

Identification: Every person age sixteen and older is required to have a valid form of photo identification to gain base access. Acceptable forms of U.S. government issued identification include: driver's license, state identification card, passport, military dependent identification card, or school/work identification card (for persons under age 18).

Firearms/Weapons: All firearms and weapons are prohibited aboard MCRD San Diego. Prohibited weapons include but are not limited to: knives greater than 3 inches, switchblades greater than 2 inches, and brass knuckles.

Drugs: All controlled substances are prohibited aboard MCRD San Diego. Any person(s) found possessing a controlled substance or associated paraphernalia (i.e., smoking devices) will be found in violation of Federal law. A medical marijuana card does not authorize possession of marijuana aboard MCRD San Diego. Contraband will be seized and offenders may be cited and denied entry. Controlled substances include but are not limited to: marijuana (or related products), methamphetamines, hallucinogens, and prescription medication without a valid prescription.

Picnic Areas/Tailgate Lot/RV and Trailers: There are lawn spaces throughout the installation for visitors to picnic. It is requested that visitors who arrive with an RV or trailer, or whom wish to set-up pop-up tents and canopies to utilize the "Tailgate Lot" located adjacent to Bldg 10. Overnight parking, charcoal grills, and consumption of alcoholic beverages is prohibited on the premises.

Medical Treatment Facility: The Medical Treatment Facility aboard MCRD San Diego only provides services to recruits. They are unable to provide services to civilians or refill prescription medications. Please plan accordingly.

Boot Leave: Most recruits will book their travel for their boot leave on T-33 (week 6). They are provided an opportunity to make a phone call to confirm travel arrangements in advance of booking their airline tickets and transfers. Travel arrangements are booked through MCCS Camp Pendleton Latitudes Travel.

If friends and family need assistance booking their travel arrangements to MCRD San Diego, Camp Pendleton Latitudes Travel advisors are available to assist:
